Re: Water Shutdown

Please be advised, due to work to the building's water lines there will be no water for bathrooms below the 6th floor and no water for private kitchens throughout the building on Saturday, January 18th.

Bathrooms from the 6th floor to the 19th floor will not be affected by this work. Anyone below the 6th floor who needs to use the restrooms, please use those on the 6th floor or above.

Thank you for your cooperation.
