

Save-The-Date

Interchurch Center Blood Drive Monday, September 27, 2021 9am- 3pm

Please help and donate blood to replenish New York's blood supply to ensure for hospital patients. There has been a chronic deficit in blood donations throughout the pandemic. Blood donations each month are *thousands below what hospitals need*.

Please help.

**[CLICK HERE](#) to schedule an appointment
or call New York Blood Center at (800) 933-2566
Walk-ins allowed if capacity allows it.**

Please remember to eat, drink, and bring your donor ID card or ID with name and photo.
Face mask is required to enter the blood drive.

Did you receive the COVID-19 vaccine? You can still donate!
For eligibility information visit www.nybc.org/eligibility

**Thank you for your support. This gift of your time means a LIFETIME to a patient
in need.**
